What about a visit with Vizsla?

Reason for wanting a Vizsla?

Preferred temperament?

What appeals to you about Vizslas?

Who referred you?

Vet info:

Expectations or Concerns:

Personal Reference #1:

Personal Reference #2:

Sometimes Vizslas come through rescue that display behavior which is not considered acceptable such as fear, aggression, poor housebreaking, overly clinging or distant. This is usually because of a lack of proper socialization or training in the former household. What knowledge or experience can you bring to the Vizsla to provide training, understanding and love to promote a stable life for the Vizsla?
